

# REMINDER FOR FSM CITIZENS IN THE UNITED STATES LOCATING I-94 EXPIRATION DATES

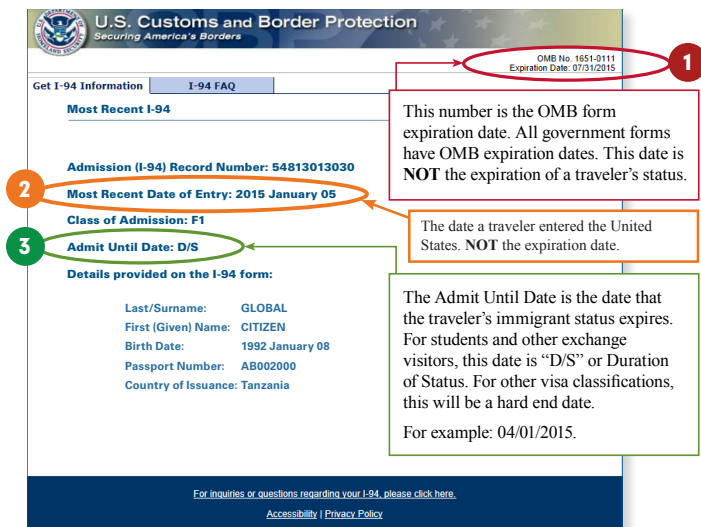

INFORMATION FOR FSM CITIZENS IN THE UNITED STATES • FSM EMBASSY, WASHINGTON • APRIL 16, 2025 • NO. 2507

Form I-94 is an arrival/departure record issued by U.S. Customs and Border Protection (CPD) to foreign visitors to the United States. CBP automated Form I-94 for air and sea arrivals in 2013.

If travelers need a copy of their I-94 record for verification of alien registration, immigration status, work authorization or any other benefit, the I-94 can be obtained and printed from the link in the box at the right. ([Embassy Bulletin No. 2505](#) details the steps to retrieve your I-94 online).

The I-94 record obtained from the website serves the same purpose as the previously issued I-94 record and should be treated by the Department of Homeland Security components and other stakeholders in the same manner.

- 2 "Most Recent Date of Entry" indicates the date a traveler entered the U.S. This is also NOT the date immigration status expires.
- 3 The 'Admit Until Date' is the date that the traveler's immigration status expires in the U.S. The 'Admit Until Date' is used for U.S. Citizenship and Immigration Services (USCIS) or determining public benefits from other government agencies. 

## I-94 Expiration Dates

The electronic I-94 has three dates printed on the form:

- 1 In the top right-hand corner (at the bottom corner in some printouts) is the Office of Management and Budget (OMB) form expiration date. All government forms include OMB dates. The OMB validity date changes periodically and an expired OMB date does not invalidate the I-94 record or form. OMB dates are NOT related to a non-immigrant's status in the U.S.
